Steps to Using INFOBASES on AK State Legislature web site:

To find the Infobases use the Quick Link at the bottom of any page on the legislative website at www.legis.state.ak.us

Choose an Infobase, such as Committee Minutes 1989-1990.

The screenshot shows the homepage of The Alaska State Legislature. The header includes the title "The Alaska State Legislature" and a navigation bar with links: HOME, SENATE, HOUSE, BILLS & LAWS, SEARCHES, MEDIA CENTER, PUBLICATIONS, and GET STARTED. Below the header, the "26th Legislature(2009-2010)" section is visible. On the left, a "Basis Navigation" sidebar contains links for Bills, Committees, Session, Session Laws, Tools, and Archive. The main content area is titled "Infobases" and lists various searchable databases. A "Folio" button is circled in red. Below the "Folio" button, a "Query" button is also visible. The "Committee Minute Text" section lists several databases, including "16th (1989-1990) Legislature Committee Minutes", which is circled in red. Other sections include "Session Laws and Resolves" and "General Legislative Information".

Click on the oval Query button.

The screenshot shows the "COMMITTEE MINUTES - 16TH LEGISLATURE" page. The header and navigation bar are the same as in the previous screenshot. The main content area displays a list of committee minutes, with a "Query" button circled in red. The "Folio" button is also visible. The "Query" button is located in the "Folio Controls" section. Below the "Query" button, there are links for "House", "Senate", "House Finance", "Senate Finance", "Leg. Budget and Audit", and "Leg. Council".

When you query put quotes around a phrase or bill number: “hb 4”
Put a check by “Headings with Hits” display option. Click on Search.

After you get the number of results, click on the “records with hits” bar

Then click on the “Contents” button

The screenshot shows the homepage of The Alaska State Legislature. The left navigation menu is open, and the 'Contents' button is highlighted with a red circle. The main content area displays the '26th Legislature(2009-2010) Infobases' section, which includes a search bar, a list of bills, and a 'COMMITTEE CALENDAR' section. The 'COMMITTEE CALENDAR' section lists bills such as HB 16 and HB 17, along with their descriptions and effective dates. The 'WITNESS REGISTER' section lists representatives and their contact information.

This will create a table of contents of your results (click on 4 expands it)

The screenshot shows the same website, but now a table of contents for search results is displayed. The 'Folio Controls' button in the left navigation menu is highlighted with a red circle. The table of contents lists various bills and their details, including the House, Senate, and Finance committees. The table is organized into columns for the bill number, committee, and date. The 'Folio Controls' button is also highlighted with a red circle.
